

BOWERY BALLROOM TECH SPECS AND PRODUCTION INFO
UPDATED SUMMER 2011

Hello everyone! KENNY THE SOUNDMAN here with the info you need for a successful day at the Bowery! PLEASE NOTE THE CHANGES!

PARKING:The street in front of the venue (there is no back entrance) is a COMMERCIAL LOADING ZONE from 7am to 7pm Monday to Friday. What this means is that you can pull in to load, but must stay with your vehicle in order to avoid a \$110 ticket. There are a couple lots in the area for Large Vans, Sprinters, etc., but be aware that parking is NOT readily available for VEHICLES WITH TRAILERS! Those are best outside the club, taking into account the Commercial restrictions.

FOH: Bowery is proud to announce the addition of a MIDAS HERITAGE 3000 console at FOH!!! 44 mono and 4 stereo channels!! A beauty!! To compliment the console, the FOH racks include:
15 Compressors (5 DBX 160...4 DBX 1046...4 Drawmer 241...2 Summit TLA 100)
8 Gates (all Drawmer)
4 effects (Yamaha SPX 900 and 990..Eventide H3000..TC Electronics D2 Delay
CD Player and IPOD hookup
All Klark Technic Graphic Eq's and EAW boxes (650 and 695, in a Left-Center-Right flown configuration) and 3 EAW sub cabs with 2 18" per box
All Crown power amps

MONITORS: We have a Soundcraft 40 channel Spirit Monitor2, which feeds EAW wedges and Crown power. 10 wedges (12"...EAW 260 and Z29i) a Drum box (15" wedge and an 18" sub) and sidefills. We also feature an additional 8 ch. "Console" comprised of 8 channels of MIDAS XL4. Custom designed to provide 8 of the best quality inputs for your "Money Channels"!! All mixes feature Klark Technic Graphic Eq's...Reverb and 4 channels of DBX 166 Compressor/Gate also available. PLEASE NOTE: We have no splitter in Monitor world. The split is built into the console. Any visiting consoles MUST PROVIDE A SPLITTER~!

LIGHTS: Currently we feature 35+ Par Cans in a rear and side configuration, with 4 floor cans available. Extra dimmer channels are ready for visiting fixtures as well. There are also 5 pair of SOURCE 4 cans on either side of the FOH truss, as well as 5 LEKO spots (fixed position) and 4 TRAKSPOT moving lights. The Trakspots run with their own dedicated controller, and the conventionals have a LEPRUCHAN controller. Fog Machine available, and there is a Mirror Ball!
PLEASE NOTE: ANY HAZE/FOG USE REQUIRES A \$200 FIRE GUARD FEE!!!

OTHER INFO: These are some of the other details of the Bowery you may need:
